

Classes for Young Potters

Sunday afternoons

January 7 – March 11, 2018

Session 1: 12:30–3:00 pm

Session 2: 3:00–5:30 pm

Open to beginners aged 9 to 14 with no pottery experience as well as to those who have attended prior classes for young potters. Students get solid grounding in pottery fundamentals. They are taught how to center a mound of clay on the potter's wheel and how to throw, trim and glaze their pots. All learn how to make cups, bowls and other simple forms and to refine their skills.

Classes are two-and-a-half hours long and are held at our studio in historic Georgetown. A potter's wheel is available for each student.

Students should dress in clothes they don't mind getting dirty, trim their fingernails short, tie back long hair, and bring an old towel for wiping their hands.

Classes are held at Hinckley Pottery's new location in historic Georgetown, next door to the venerable Blues Alley Jazz Club.

The fee for the 10 classes is \$400. Full payment is required at registration. Cost of clay, use of tools and equipment, glazes and firing are included in the fee.

We reserve the right to cancel the session if enrollment does not reach a minimum of five students. Maximum class size is 10. If the session is full or is cancelled, a full refund will be made. There are no refunds for absences.

To register: Call Hinckley Pottery at 202-745-7055 or 202-726-6646 or send an email to sweber@hinckleypottery.com.
